

DATE: MARCH 5, 2024

TO: MAYOR AND COUNCIL MEMBERS

FROM: MARKISHA GUILLORY, FINANCE DIRECTOR

SUBJECT: RECEIVE THE FISCAL YEAR (FY) 2023/24 SECOND QUARTER (MID-YEAR)

FINANCIAL REPORT AND ADOPT A RESOLUTION AUTHORIZING

RELATED BUDGET ADJUSTMENTS

RECOMMENDATION

Staff recommends that the City Council receive the Fiscal Year (FY) 2023/24 Second Quarter ("Mid-Year") Financial Report and adopt a resolution authorizing related budget adjustments.

BACKGROUND

The City operates on an annual budget cycle. Through the budget, the City Council approves revenue estimates and authorizes City staff to expend the City's limited financial resources. The City Council adopts an original budget prior to the start of each fiscal year, then makes adjustments to the budget throughout the year to reflect changes in expected revenues and to increase or decrease expenditures to address changes in policy or operational priorities.

As one of the many activities that the City undertakes to help ensure its financial soundness, staff provides quarterly financial reports on the City's budget condition. Following the conclusion of the second quarter of the fiscal year, staff conducts a second quarter/mid-year budget review.

The mid-year review provides an in-depth assessment of the City's revenues and expenditures during the first half of the fiscal year (July through December). It helps determine whether the City is on track to meet the budget for the fiscal year or if adjustments are necessary. It also includes a projection of the fiscal year-end results, which serves as the starting point for the development of next year's budget and the long-term financial forecast.

REVIEW AND ANALYSIS

Staff has reviewed the City's budget results through the second quarter, from July 1, 2023 through December 31, 2023. City revenues and expenditures are mostly on track with original budgeted amounts. Staff does recommend some budget adjustments, which are discussed within this report and in Attachment A.

General Fund Analysis

General Fund (including Measure S 2006 and 2014) revenues and expenditures are mostly on track with the original budgeted amounts.

The FY 2023/24 budget is primarily a status quo budget, meaning that it does not include any major changes to City programs or services. The originally adopted FY 2023/24 General Fund budget included \$25.6 million in revenues, \$34.4 million in expenditures, and \$8.8 million use of the \$12.5 million unassigned fund balance (residual, unrestricted funds) to fund several non-recurring items, including several capital improvement projects and Council-directed initiatives. The statuses of these non-recurring budget items are detailed below in this report.

The revised FY 2023/24 budget, which includes budget adjustments approved prior to midyear, is comprised of \$25.6 million in revenues, \$34.5 million in expenditures, and \$8.8 million use of unassigned fund balance.

As of the mid-year, the City is projecting to end FY 2023/24 with total revenues of \$25.9 million, expenditures of \$35.0 million (including recommended mid-year adjustments), and use of fund balance of \$9.1 million. With mid-year budget adjustments, the General Fund unassigned fund balance is projected to be \$3.4 million at the end of the fiscal year. The table below summarizes the General Fund budget.

General Fund Revenue (including Measure S 2006 and 2014)

The City Council authorized revenues in the amount of \$25.6 million in the original FY 2023/24 General Fund budget, including Measure S 2006 and 2014. General Fund actual revenues through the second quarter of FY 2023/24 totaled \$11.1 million, 43% of the amended budget. The table below summarizes the General Fund budgeted revenues. Staff recommends adjustments to three revenue categories--sales and use taxes, utility users' tax, and public safety charges--due to changes that occurred after adoption of the original FY 2023/24 budget. The proposed adjustments are described below.

Sales and Use Taxes

Sales and use taxes is the City's largest general revenue stream, representing 37% of total

ongoing General Fund revenues. For the second quarter, sales tax collected, including Measure S funds, were \$3,694,734, 39% of the amended budget. There is typically a two-month delay in the timing of sales tax receipts. Sales tax receipts are trending lower than originally projected, mostly in the fuel and service station, and building and construction categories. Therefore, staff recommends a \$150,000 revenue decrease based on current sales tax trends and updated projections from the City's sales tax consultant, HdL.

Property Tax

Property tax is the City's second largest general revenue stream, representing 22% of total ongoing General Fund revenues. For the second quarter, total property tax revenue was \$3,121,308, 55% of the amended budget. It is comprised of four segments – secured, unsecured, supplemental, and transfer tax. The largest segment is secured property tax. It is received in three installments in December (55%), April (40%), and June of each year (5%). Secured property tax revenue includes the basic 1% property tax and the Redevelopment Property Tax Trust Fund (RPTTF). This is revenue that has resulted from the dissolution of the former Pinole Redevelopment Agency and represents the shift from the Agency receiving tax increment revenue to the various taxing entities receiving the tax revenue. The RPTTF revenue will convert to "normal" property tax revenue when all of the former Agency's outstanding debt is paid off and the Successor Agency is formally dissolved. Dissolution is currently expected to begin in March 2024 as the final debt service payment has been made.

All Other General Fund Revenue

Utility Users' Tax (UUT) is levied on telecommunication, electricity, gas, and mobile telephones. For the second quarter, UUT revenues collected were \$1,149,239 million, 53% of the amended budget. The electricity segment is on trend to exceed the budgeted amount, like in prior fiscal years. Therefore, staff recommends a \$100,000 revenue increase in the electricity segment.

Franchise tax is levied on gas, electricity, cable, and refuse. For the second quarter, revenues collected were \$270,764, 34% of the amended budget. The amount collected is consistent with the timing of receipts.

Transient Occupancy Tax (TOT), also known as the "hotel tax," is levied on persons staying 30 days or less in a motel or lodging facility within City limits. For the second quarter, revenues collected were \$199,339, 44% of the amended budget. The amount collected is consistent with the timing of receipts.

Business license tax is assessed on all businesses doing business within City limits. For the second quarter, revenues collected were \$166,907, 37% of the amended budget. The bulk of this revenue is typically received in January during the annual license renewal process. The amount collected is consistent with the timing of receipts.

Intergovernmental taxes is comprised of the Motor Vehicle License Fee (VLF), which is the City's share of motor vehicle license fees levied, collected, and apportioned by the State. This category also includes the Homeowners Property Tax Relief, which is a reimbursement from the State to offset loss of property tax for the state-imposed homeowner exemption. This revenue is received in two equal installments. For the second quarter, revenue collected was \$1,147,883, 49% of the amended budget. The second installment is expected to be received in June 2024.

Public safety charges are received for dispatch services provided to the cities of Hercules and San Pablo under an Intergovernmental Service Sharing agreement. The revenue is received on a quarterly basis. For the second quarter, public safety charges were \$974,170, 58% of the amended budget. The current interagency agreement was executed after adoption of the FY 2023/24 budget. Therefore, staff recommends a \$261,000 revenue increase based on the new rates in the agreement.

Other revenues include permits, fees, fines and forfeitures, rental income, proceeds from the sale of property, investment income, and grants. All revenues in this category totaled \$401,279, 72% of the amended budget. The timing and amounts of receipts for revenues in this category vary throughout the fiscal year.

The transfer in comes from the Section 115 Trust to offset the increase in pension costs in the General Fund. The amount of the transfer will be based on total expenditures at year-end.

General Fund Expenditures (including Measure S 2006 and 2014)

The City Council authorized expenditures in the amount of \$34.4 million in the original FY 2023/24 General Fund budget. The revised budget was increased to \$34.5 million. The amended budget proposes \$35.0 million in General Fund expenditures. General Fund actual expenditures through the second quarter totaled \$16.8 million including encumbrances, 48% of the amended budget. The table below summarizes the General Fund budgeted expenditures. While expenditures are mostly on track with budgeted amounts, staff recommends several adjustments to appropriate funds for some additional costs that were not anticipated in the original FY 2023/24 budget. The proposed adjustments are described below.

Salaries and Wages

Salaries and wages are based on the City's current staffing level (115) full-time equivalents (FTEs), and includes salary increases for different classifications as agreed upon in the City's labor memorandums of understanding (MOUs). The budget also includes a savings factor equal to 4% of total annual salary and benefits expenditures to account for savings resulting from position vacancies. For the second quarter, salaries and wages were \$4,731,461, 51% of the amended budget; the slight overage is due to salary and compensated leave payouts to former employees who separated from the City.

Benefits

Benefits include employee healthcare benefits, workers' compensation insurance, and other benefits, as well as the City's annual required contribution for employees' pension to the

California Public Employees' Retirement System (CalPERS). The budget reflects the net cost to the City (the required total contribution minus the employee contributions). For the second quarter, benefits were \$3,644,107, 59% of the amended budget. The annual workers' compensation insurance premium was paid in full at the beginning of the fiscal year.

Professional/Administrative Services

Professional and administrative services include legal and consulting services, building and equipment maintenance, office expenses, travel & training, and various administrative expenses. Contract services with other government agencies, such as the Contra Costa County Fire Protection District and the County animal services and library services, are also included in professional services. For the second quarter, professional/administrative services were \$4,537,600, 45% of the amended budget.

Other Operating Expenditures

Other operating expenses include water, electricity & power, and cable utilities. For the second quarter, other operating expenditures were \$168,273, 57% of the amended budget. Utility costs tend to trend higher during the colder months of the year.

Materials and Supplies

Materials and supplies include fuel, maintenance supplies, and safety equipment. For the second quarter, materials and supplies were \$67,455, 37% of the amended budget.

Interdepartmental Charges

Interdepartmental charges include administrative charges and reimbursements for services provided by one City department to another, such information technology and legal services. It also includes general liability insurance premiums. For the second quarter, interdepartmental charges were \$28,039, a net -4% of the amended budget as the annual general liability insurance premium was paid in full at the beginning of the fiscal year.

Asset/Capital Outlay

Capital outlay includes non-major and major asset acquisition and improvements, such as computer equipment and furniture, vehicles, and several capital improvement projects funded by the General Fund unassigned fund balance. For the second quarter, capital outlay was \$1,612,847, 25% of the amended budget. Actual expenditures are low mostly due to the timing of capital projects.

Debt Service

Debt service includes the payment of debt for the 2006 pension obligation bonds (POBs) that were issued to finance the City's unfunded accrued actuarial liability with CalPERS. For the second quarter, debt service was \$611,033, 100% of the amended budget as the annual payment was made at the beginning of the fiscal year.

Other Financing Uses/Transfers Out

Other financing uses/transfers out include transfers from the General Fund to other funds to support operating costs. Expenditures were \$1,414,520, 60% of the amended budget, due to transfers to the General Reserve Fund (\$764,520), City Street Fund (\$250,000), Arterial Streets Rehabilitation Fund (\$250,000), and Equipment Reserve Fund (\$150,000).

In addition to the summary of expenditures by category, a summary of expenditures by

department is provided below.

Most departmental spending was at or below 50% for the second quarter. Those that were above 50% are discussed below.

- City Attorney expenditures were at 67% of the amended budget because the reimbursements (credits) from other City departments for legal services were not processed until January. Reimbursements are processed in the month following the end of the previous month.
- Non-Departmental expenditures were at 70% of the amended budget due to the payment of the annual debt service for the 2006 pension obligation bonds and transfers out to other funds.
- Police department expenditures were at 53% of the amended budget primarily due to the workers' compensation and general liability insurance premiums being paid in full at the beginning of the fiscal year.
- Fire expenditures were at 54% of the amended budget primarily due to abatement and other operating expenditures (that the City retained under the contract), which fluctuate throughout the fiscal year.

General Fund revenues and expenditures are mostly on target with budgeted amounts as expected at this point in the fiscal year. However, staff recommends several General Fund budget adjustments to fund some operating costs that were not anticipated in the original FY 2023/24 budget.

The proposed revenue adjustments, totaling \$211,000, are as follows:

- Non-Departmental decrease sales & use taxes based on trends and updated projections provided by the City's sales tax consultant, HdL (-\$150,000), and increase utility users' tax for electricity based on trends (\$100,000); and
- Police increase public safety charges based on the increased rates in the current interagency agreement to provide dispatch services to the cities of Hercules and San Pablo (\$261,000).

The proposed expenditure adjustments, totaling \$505,600, are as follows:

- Finance increase the expenditure budget for ongoing professional services for the strategic financial planning carried forward from the prior fiscal year (\$35,000) and the proportional share of costs of the new online permitting and licensing platform (\$6,532);
- Police increase the expenditure budget for higher vehicle maintenance costs (\$39,741) and new vehicle upfitting (\$23,759);
- Fire increase the expenditure budget for the Spartan fire engine chassis repair (\$24,750);
- Community Development Department (Code Enforcement) increase the expenditure budget for the proportional share of costs of the new online permitting and licensing platform (\$3,266); and
- Public Works increase the expenditure budget for the proportional share of costs of the new online permitting and licensing platform (\$18,463), alarm installation and monitoring (\$41,500), City Hall HVAC extended warranty (\$17,000), and carry forward funding for the hybrid bucket truck (\$235,589) and the Senior Center modernization project (\$60,000).

Overall, the General Fund has sufficient resources to continue to fund the City's ongoing operations as well as some one-time items. As mentioned above, the General Fund unassigned fund balance is projected to be \$3.4 million at the end of this fiscal year. The City also maintains a separate General Reserve Fund which maintains a balance equal to 50% (six months of expenditure coverage) of total ongoing General Fund expenditures. The fund balance is projected to be \$10.2 million at the end of this fiscal year.

Status of Non-Recurring Budget Items

As mentioned above, the adopted budget includes the use of a portion of the City's \$12.5 million unassigned fund balance for several non-recurring items, including one-time initiatives as well as several capital improvement projects. The following table outlines the status of the non-recurring budget items.

Other Funds Analysis

The following analysis provides explanations of the financial activity for select non-general funds with substantial financial activity. Attachment A includes detailed financial information for all funds.

Special Revenue Funds

Gas Tax Fund (Fund 200)

The Gas Tax Fund accounts for revenue from State excise taxes on gasoline and diesel fuel sales (referred to as the Highway Users Tax Account (HUTA)) as well as revenue from the Road Repair and Accountability Act of 2017 (SB1) (referred to as the Road Maintenance and Rehabilitation Account (RMRA)). Gas Tax Fund resources are restricted for use in the construction and maintenance of public streets. These funds support both annual operating and capital projects. For the second quarter, revenues were \$505,524, 48% of the amended budget. Expenditures, including encumbrances, were \$266,581, 13% of the amended budget. Actual expenditures are low due to the timing of capital projects.

Public Safety Augmentation Fund (Fund 203)

The Public Safety Augmentation Fund (PSAF) accounts for monies allocated by the County Auditor-Controller under Proposition 172 from the statewide 0.5% sales tax based on a share of statewide taxable sales. These funds are used exclusively for public safety personnel costs. For the second quarter, revenues were \$111,182, 46% of the amended budget. Expenditures were \$221,361, 46% of the amended budget.

Supplemental Law Enforcement Services Fund (Fund 206)

The Supplemental Law Enforcement Services Fund (SLESF) accounts for funds received from the County under AB 3229, which enacted the Citizens Option for Public Safety (COPS) Program, through which the City receives \$100,000 annually. In addition to the \$100,000 annual payment, the City receives a Growth Allocation payment. The funds are used to partially offset officer personnel costs. For the second quarter, revenues were \$182,957, 110% of the amended budget. Expenditures were \$194,582, 57% of the amended budget. Actual expenditures include several one-time equipment purchases.

NPDES Storm Water Fund (Fund 207)

The NPDES Storm Water Fund accounts for assessments collected by the County via property tax bills and provided to the City for stormwater programs pursuant to the National Pollutant Discharge Elimination System (NPDES) regulations, a federally mandated program. Assessments are levied at \$35 per Equivalent Runoff Unit (ERU). The majority of the revenue is received with April property tax assessments. For the second quarter, revenue was \$5,865, 2% of the amended budget. Expenditures were \$193,033, 52% of the amended budget.

Recreation Department Fund (Fund 209)

The Recreation Department Fund accounts for funds received from fees for participation in recreational programs. While participation in some programs have returned to full capacity, others have not returned to pre-pandemic levels. For the second quarter, revenues were \$189,416, 15% of the amended budget. Receipts fluctuate due to seasonality of programs, such as summer camps. The Recreation Department Fund budget includes transfers in from the General Fund and Measure S 106 Fund, which will be transferred later in the fiscal year based on actual need. Expenditures were \$935,052, 44% of the amended budget. Staff recommends a net \$8,670 revenue increase for the Tobacco Grant funding and several Senior Center programs; and decreases in Tiny Tots, Youth Center, and Swim Center due to lower than projected participation in the various programs and facility rentals. Staff also recommends a net \$132,603 expenditure increase largely to appropriate expenditures for activities to be reimbursed by the Tobacco Grant funding, and for building maintenance.

Building & Planning Fund (Fund 212)

The Building & Planning Fund accounts for funds received from fees and permits for building and planning services. Fees are collected to recover the cost primarily related to inspections and plan checks performed. The second quarter, revenues were \$1,012,103, 72% of the amended budget. Expenditures were \$1,002,335, 45% of the amended budget. Staff recommends a \$69,795 revenue increase to appropriate the State of California Housing Grant funding. Staff also recommends a \$62,780 expenditure increase to carry forward the funds from the FY 2023/24 budget for the proportional share of costs of the new online permitting and licensing system.

Refuse Management Fund (Fund 213)

The Refuse Management Fund accounts for resources received from the City's franchise waste hauler, Republic Services, from a monthly fee imposed under AB 939 on all residential customers in Pinole. These revenues are restricted to programs and activities that promote recycling of solid waste and source reduction. For the second quarter, revenues were \$33,004, 50% of the amended budget. Expenditures were \$68,376, 39% of the amended budget.

Solid Waste Fund (Fund 214)

The Solid Waste Fund accounts for funds received from Republic Services from a monthly fee it assesses on customer rates for solid waste services. These funds are set aside for future solid waste capital projects and for a rate stabilization fund. For the second quarter, revenue was \$305,287, 83% of the amended budget. Expenditures were \$49,708, 8% of the amended budget. Actual expenditures are low due to the timing of capital projects.

Rate Stabilization Fund (Fund 216)

The Rate Stabilization Fund was created to account for the excess revenues from the solid waste post collection contract with Republic Services. Twenty-five percent (25%) of the surplus funds, generated from prior years' rate increases, are set aside to offset year-over-year rate fluctuations; thereby, leveling the annual rates paid by consumers. Per Resolution 2013-91, the City was required to establish a rate stabilization fund, separate from the Solid Waste Fund (214), for the excess revenues collected. Revenue from the Fund 214 will be received later in the fiscal year. There are no budgeted expenditures for FY 2023/24.

Measure J Fund (Fund 215)

The Measure J Fund accounts for special sales tax revenues collected by the Contra Costa Transportation Authority (CCTA) and reapportioned to the cities for local street projects. The City must submit a checklist each year to confirm compliance with a Growth Management Program in order to receive these funds. Estimates of annual funding are provided by the CCTA, and jurisdiction allocations are based on a formula that considers both population and road mileage. For the second quarter, revenues were \$57,656, 5% of the amended budget. The allocation from CCTA is expected to be received later in the fiscal year. Expenditures were \$452,001, 44% of the amended budget.

Growth Impact Fund (276)

The Growth Impact Fund accounts for development fees collected to mitigate the impact of new development. Specifically, it provides for the expansion, design, construction, or upgrade to facilities, roadways, and equipment. The City collects impact fees for police, fire protection, public facilities and equipment, parks and recreation, wastewater, transportation, and drainage. For the second quarter, impact fee revenue was \$135,201; 13% of the amended budget. There were no expenditures due to the timing of capital projects.

Capital Project Funds

City Street Improvement (Fund 325)

The City Street Improvements Fund accounts for an annual \$250,000 transfer from Measure S 2014 for street improvement projects. Additionally, it accounts for various federal, state, and other grants for road projects. Grant revenue is received on a reimbursement basis, after expenditures are incurred. For the second quarter, revenues were \$299,147, 14% of the amended budget. Expenditures, including encumbrances were \$390,816, 18% of the amended budget. Actual expenditures are low due to the timing of capital projects.

Enterprise Funds

Sewer Enterprise Fund (Fund 500)

The Sewer Enterprise Fund accounts for fees charged to residents and businesses for sewer utilities. Fees are used to operate the Pinole-Hercules Wastewater Treatment Plant, which serves the Pinole and Hercules areas. Revenues are received with the property tax payments in December, April, and June. For the second quarter, revenues were \$4,847,736, 52% of the amended budget. Expenditures, including encumbrances, were \$3,716,654, 15% of the amended budget. Actual expenditures are low due to the timing of capital projects.

Cable Access TV Fund (Fund 505)

The Cable Access TV Fund accounts for revenue received from cable franchise fees, video production and broadcast charges, and Public, Educational, and Governmental (PEG) access fees. PEG access fees are designated for equipment purchases. Transfers from the General Fund also help support the operating costs. For the second quarter, revenues were \$78,445, 15% of the amended budget. The major revenue sources are received one month after the close of the previous quarter. Expenditures were \$296,100, 43% of the amended budget. Staff recommends a \$26,486 revenue decrease as the original franchise tax budget was doubled.

Information Systems Fund (Fund 525)

The Information Systems Fund is an internal service fund used to account for activities that provide technology goods or services to other City funds and departments on a cost-

reimbursement basis. For the second quarter, indirect cost allocations (reimbursements received from other City departments for information technology services) were \$843,767, 51% of the amended budget. Expenditures, including encumbrances were \$1,063,899, 64% of the amended budget. Staff recommends a \$91,041 increase to indirect cost allocations (reimbursements) and to expenditures to carry forward the budget allocation authorized in the FY 2022/23 budget for the new online permitting and licensing system.
