\*City of Pinole coordinates concurrent Contra Costa Fire Protection District (ConFire) review of new buildings, tenant improvements, remodels and additions and some PV and BESS systems. However, permits for Standalone Fire Permits (i.e., fire sprinklers, fire hydrants, alarm systems and deferred submittals must be submitted directly to ConFire. In all cases, ConFire plan review and permit fees are collected by ConFire. Review the "Additional Building Permitting Requirements" section on the City's website.
